Dr. Brovko will conduct the examination and prepare the report as described below.

2. Dr. Brovko shall promptly file a report that contains all the information required under 18 U.S.C. § 4247(c)(1), (2), (3), and (4)(A), including:

(5) If the defendant does not presently have a rational or factual understanding of the charges or presently does not have sufficient present ability to consult with his lawyer with a reasonable degree of rational understanding, the evaluating psychologist's or psychiatrist's assessment of whether there is a substantial probability that the defendant will attain either of these capacities in the foreseeable future.

The psychiatric or psychological report order shall be filed with the Court under seal with copies provided to counsel for Mr. Garcia and the United States.

3. A copy of this Order shall be given to the United States Marshal and the United States Pretrial Services Office. The Marshal shall make arraignments as are necessary for the examination of Mr. Garcia.

IT IS FURTHER ORDERED, pursuant to 18 U.S.C. § 3161(h)(1)(A), that any period of delay resulting from the defendant's unopposed Motion for Competency Evaluation (Doc. 10), filed on March 16, 2021, through and including the termination of any proceeding, including any examination or hearing to determine defendant's mental competency, shall be excluded for purposes of calculating the defendant's Speedy Trial Act rights.
